Professional Service
Editor: Special Issue of a PRJ
2017: CERR Colloquium on European Research in Retailing, Euralille, Virtual (International).
2015: CERR Colloquium on European Research in Retailing, Bremen, Germany (International). This special issue presents the best papers from the second Colloquium on European Research in Retailing (CERR). CERR 2014 was held in September 2014 at the University of Bremen, Germany. The colloquium is the result of the collaboration of three European scientific research laboratories. Among
those, the Department of Logistic Management of the University of Bremen was the main organising entity of CERR 2014. CERR’s aim is to offer researchers from all over Europe, on a bi-annual basis a meeting place to share in a congenial environment the result of their latest research.

Special Issue in International Journal of Retail and Distribution Management
